PLEASE SUPPORT OUR TROOPS

We Coordinated by the MSIT Girls Track Team for **Staten Island Project Homefront**

There are thousands of military people overseas fighting for us, and they are deprived of the simple pleasures in life that we take for granted everyday. **Project Homefront** gives local citizens the chance to make the day of a military person just a little better with something from home. Even the smallest of things, like a toothbrush or some old movies, can make a huge difference.
