Arielle Newman

Arielle was an award-winning track and cross country run-ner for Notre Dame Academy High School, Staten Island. She was the 2005 and 2006 Staten Island Girls High School Varsity Cross Country Champion. Arielle was a captain of the track team and voted MVP. She was a Staten Island Advance All Star four times, once posthumously.

Arielle died April 3, 2007 from an aspirin-like ingredient, methyl salicylate, found in muscle creams. This Run is in her honor and to foster awareness of the dangers of this ingredient.

Donations

Proceeds from the Arielle Newman Run are donated to the Staten Island community and other charities that would better the lives of those affected by hardship. Arielle was concerned for those in need of food and for the less fortunate. We believe that these types of charities reflect what Arielle would be supporting if she was still with us today. These include among others:

- Scholarship to 8th Grader – St Teresa School
- Scholarship to Senior – NDA HS
- Project Hospitality
- St. Paul's/Assumption Church Soup Kitchen
- The Compassionate Friends of Staten Island
- The Compassionate Friends National Office
- Protecting One Young Heart at a Time
- Community Resources of Staten Island
- Crossroad Foundation
- Lifestyles for the Disabled
- No Place Like Home
- NY Road Runners Team for Kids
- Staten Island HS Track & Field
